

## Supporting The Nations Top Lenders Close Loans Smoothly & Efficiently

### A Unique, Innovative Platform Addressing The NY Market Challenges

As one of the nation's top closing solutions provider, we have built our business on delivering the most exceptional customer experience, meticulous attention to detail, and innovative interactive applications. Our unique closing model is proven to provide the ultimate consumer experience .

Our full state solution addresses the challenges faced by Lenders in New York closings transactions. Plus, Mortgage Connect's New York presence in Midtown Manhattan bolsters our unequaled expertise and meticulous oversight of loan closing transactions.

### Mortgage Connect Lender Closing Solutions

We provide a fully vetted digital compliance package, adhering to lender guidelines in addition as well as provide:

#### More Control, Reduced Risk

- One primary reputable provider managing execution, risk & oversight
- Best practices for vetting, training, certification and oversight of NY Attorney network
- Built around Lender– Specific docs, processes, communication & code of conduct
- Full state solution & local market expertise (field experts, CEMAS Expertise & COOPS solution)

#### Centralized Model with Flexibility

- Systemic & performance driven oversight of New York Elite Program attorneys
- Customized per Lender requirements

#### Reduced Cost of Oversight & Closing Errors

- Dramatically increase Attorney oversight at substantially reduced costs
- Provide primary oversight to all Attorneys, Lenders target specific oversight as necessary
- Become the primary entity to routinely audit, vs. dozens of individual attorneys

#### Transactional Transparency & Security Through eConnect Technology

- Centralized platform for all stakeholders
- Consistency in title report, clearance methods, closing process and all fees
